

Candidate for: Regional Advisory Committee member

Name: Carrie Chesbro

Position/Title: Associate Director, Post Award

Organization/Institution: University of Oregon

Nominee Statement:

(From nominator) I would like to nominate Carrie Chesbro for the Regional Advisory Committee (RAC) Member position. Carrie has been in research administration for close to 20 years and is currently the Associate Director, Post Award at the University of Oregon. She has been an NCURA member since 2014 and has contributed to the NCURA community through her workshops and presentations. Carrie has been lead presenter on a variety of topics at Regional Meetings, PRA, FRA and the Annual Meetings. She is a columnist for NCURA Magazine, and most recently served on the AM61 Program Committee. Carrie's experience across various research institutions and her knowledge and contributions to NCURA over the years makes her an excellent candidate for the RAC Member position.

(From nominee) I appreciate the nomination for the RAC At-Large Member position, and am excited about the opportunity to serve NCURA Region VI. As the nomination information notes, I have been very active in NCURA for the past five years, and I look forward to being a part of NCURA leadership in the future.
